Blue line shows die-cut. DO NOT PRINT.

Please change the barcode No. and printing country name.

ThinkPad X4 UltraBase Dock

The poster illustrates the installation and removal of the ThinkPad X4 UltraBase Dock. It includes a top section with a warning icon (lightning bolt, exclamation mark, and 'i'), a recycling symbol, and a diagram of the dock with a red die-cut line. A 'ThinkPad X40 Series' diagram shows the dock being connected to a power source. The main body consists of five numbered steps:

- Step 1:** Locking the dock. A key is used to lock the dock, and a circular inset shows the key being inserted into the lock.
- Step 2:** Inserting the ThinkPad. A circular inset shows the ThinkPad being inserted into the dock. A diagram shows the dock connected to a power source.
- Step 3:** Removing the ThinkPad. A circular inset shows the ThinkPad being removed from the dock. A diagram shows the dock with a red circle around the lock area.
- Step 4:** Locking the dock. A circular inset shows the key being inserted into the lock. A diagram shows the dock with a red circle around the lock area.
- Step 5:** Removing the dock. A circular inset shows the dock being removed from the ThinkPad. A diagram shows the dock with a red circle around the lock area.
